Using the 'Inspect' Tool – Verify Pixel Placement

Type 'brandcdn' in search field;

Anyplace the pixel is loaded will appear in the box below the Search field;

If nothing appears, the pixel is NOT loaded.

The screenshot shows the Marketron website with the browser's developer tools open. The website header includes the Marketron logo and navigation links: About, News, Products, Support, Logins, and Contact. The main content area features a large image with the text "World-Class Revenue Management & Digital Solutions for Broadcasters". Below this, there is a section titled "Mediascape Orders 360" with a sub-headline "Marketron's All-in-One Multi-Media Order Entry Platform." and a "Learn More" button. The developer tools are open to the "Elements" panel, showing the HTML structure of the page. A search box in the developer tools is highlighted with a blue circle and contains the text "brandcdn". The "Styles" panel shows the default styles for the selected element, and the "Accessibility" panel is also visible.

Marketron is the media industry's leading provider of enterprise Revenue Management and Digital software solutions driving growth for over 7,000 media organizations globally.
